NARRC Runoffs SCCA Regional Races

The event was held at the 1.53 Mile Lime Rock Classic course of the Lime Rock Park in Lakeville, CT on Oct 02 & 03, 2009. The Regional Races consisted of eight (8) race groups. The sanction number for the Regional Race is 09-R-808-S.

Two qualifying sessions on Friday of 15 and 20 minutes were held and merged to provide a grid for the Regional races. Races were run on Saturday.

The weather was cool to cold on Friday and challenging for drivers to choose rain or dry tires on Saturday.

An RFA was issued to move EP from Group 7 to Group 8 due to a large number of competitors in Group 7.

A national driver who was not competing for NARRC points asked to not be scored in class. His class was modified from GT1 to GT1-N to move him "out of class".

Group 7 was revised with the permission of the SOM when 2 cars were disqualified for underweight after Final Results had been posted.

After on-track activities on Friday, during the Hospitality Party hosted by New York Region, Judy Bloeser of Tri-Region presented the SCCA National T&S Worker of the Year award to Linda Louie, NNJR and NYR. This is a great honor and I am thrilled and honored to be the recipient of the award.

The races ran close to schedule. The eight (8) Regional races were 32 Laps or 35 minutes laps as published with the exception of Group 1, Group 4 and Group 6 which were checkered early due to reaching the time limit for the race. which was checkered early due to on track incidents.

Timing and Scoring ran a crew of 17 on Friday, , and. 12 Saturday. Special recognition should go to Barb Killmer, NER Distribution Captain, Joe Boruch III, NNJR, who ran the Hot Orbits computer, and Roberta Flowers, NYR, Manual Scoring Captain.; and Bart Carlevaro NNJR, T&S Equipment Captain.
